

# Salem Preschool

~~~~~Welcome to September~~~~~

Dear Preschool Parent's,

I hope you are having a wonderful 3 day weekend. I have almost everybody's email address so this will be our first attempt at sending the newsletter via email as well as a printed version. Please let me know if you did not get an email version. I will check if I typed your address in incorrectly or if I do not have your address.

Thanks for the Vacation pictures. We have been sharing them with the class a few at a time. We are also marking on a map of the United States where everyone went. This is our first introduction to maps in the four year old class.

The three year olds have been working on their shapes and colors. They will create a book of shapes with all of their projects this week and last week.

I have almost completed all of the new students beginning of the year evaluations. This helps Ms. Hagan and I know where each child is and what areas they need to work on. There will be times when they will be reviewing something they know but this is good for creating a solid foundation for future knowledge.

This week we will begin a theme about the Post Office. I will be scheduling our first field trip, so be sure to watch for a permission slip form. Field Trips are Optional, but we would love to have everyone participate. The first trip will be to the Post Office. As soon as I have the date and time, I will be sending out the permission slips. We will need drivers. We will be mailing letters to a friend or family member so begin talking to your child about who they would like to send a letter to. Along with the permission slip I will send an envelope for you to address for us and a brief questioner so we know who they are writing to.

Next week the Windy City Players are coming to do a performance in the morning. **Wednesday, September 15th is a Half day of school.** We will be dismissing at 1:00 pm instead of 3:15. This will be our trial run, please share with me pros and cons (I already have a few in my head). Extended Care will be available beginning at 1:00 on the 15<sup>th</sup>. If your child will be staying and will be using extended care, please let me know otherwise you will need to arrange for your child to be picked up at 1:00.

Thank you! Mrs. Miller
